MINISTERIO DE AGRICULTURA

22536 RESOLUCION del FORPPA por la que se establece con carácter transitorio la prórroga de la Resolución de 27 de abril de 1979 sobre fomento del consumo de recursos alimenticios infrautilizados por la ganadería nacional.

Ilustrísimos señores:

El Real Decreto 2048/1979, de 3 de agosto, por el que se regula la campaña de carnes 1979-80, en su artículo 22 dice textualmente: «Con la finalidad de reducir los costes de producción y propiciar una mejora de la estructura productiva de las explotaciones de rumiantes, se mantendrán las ayudas y estímulos para la introducción y fomento del empleo en la alimentación del ganado de recursos agroindustriales procedentes de la remolacha, aceituna y vid, así como de aquellos otros productos nacionales que por el Ministerio de Agricultura se determinen.»

Considerando el estado actual del campo sobre el que se asienta nuestra ganadería extensiva y la situación del mercado de la carne de bovino aconseja no interrumpir temporalmente la posible utilización de estos subproductos por la ganadería.

En virtud de las atribuciones que me han sido conferidas, Esta Presidencia ha resuelto:

1.º Hasta el 31 de octubre de 1979 queda prorrogada la vigencia de la Resolución del FORPPA de 27 de abril de 1979, por la que se establecen con carácter transitorio, durante la vigencia de la prórroga del Real Decreto 1875/1978, de 23 de junio, las bases de ejecución para el fomento del consumo de recursos alimenticios infrautilizados por la ganadería nacional.

2.º A partir de la fecha de la presente Resolución, el SENPA subvencionará a los fabricantes de estos productos la diferencia del precio actualizado de la melaza en los productos elaborados desde la fecha de la presente Resolución hasta el 31 de octubre con cargo a los fondos puestos a su disposición por el FORPPA como fondo de maniobra.

Lo que comunico a VV. II.

Dios guarde a VV. II. muchos años.

Madrid, 28 de agosto de 1979.—El Presidente, Luis García García.
