

De los premios de centenas, terminaciones y reintegro ha de entenderse que quedan exceptuados los números de los que, respectivamente se deriven, agraciados con los premios primero y segundo.

Asimismo, tendrán derecho al reintegro de su precio todos los billetes cuya última cifra coincida con las que se obtengan en las dos extracciones especiales, que se realizarán del bombo de las unidades.

#### *Premio especial al décimo*

Para proceder a la adjudicación del premio especial a la fracción, se extraerá simultáneamente una bola de dos de los bombos del sorteo que determinarán, respectivamente, la fracción agraciada y la serie a que corresponde.

Ha de tenerse en cuenta que si la bola representativa de la fracción fuera el 0, se entenderá que corresponde a la 10.<sup>a</sup>

Este premio especial al décimo de 195.000.000 de pesetas (1.171.973,60 euros) para una sola fracción de uno de los seis billetes agraciados con el primer premio, será adjudicado a continuación de determinarse el primer premio.

El sorteo se efectuará con las solemnidades previstas en la Instrucción del Ramo. En la propia forma se hará después un sorteo especial para adjudicar la subvención a uno de los establecimientos benéficos de la población donde se celebre el sorteo. Dicho sorteo especial quedará aplazado si en el momento de la celebración del que se anuncia se desconocen los establecimientos que puedan tener derecho a la mencionada subvención.

Estos actos serán públicos, y los concurrentes interesados en el sorteo tendrán derecho, con la venia del Presidente, a hacer observaciones sobre dudas que tengan respecto a las operaciones del mismo.

Efectuado el sorteo se expondrán al público la lista oficial de las extracciones realizadas y la lista acumulada ordenada por terminaciones.

#### *Pago de premios*

Los premios inferiores a 5.000.000 de pesetas (30.050,61 euros) por billete podrán cobrarse en cualquier Administración de Loterías.

Los iguales o superiores a dicha cifra se cobrarán, necesariamente, a través de las oficinas bancarias autorizadas, directamente por el interesado o a través de Bancos o Cajas de Ahorro, y en presencia del Administrador expendedor del billete premiado.

Los premios serán hechos efectivos en cuanto sea conocido el resultado del sorteo a que correspondan y sin más demora que la precisa para practicar la correspondiente liquidación y la que exija la provisión de fondos cuando no alcancen los que en la Administración pagadora existan disponibles.
