

**21539** *RESOLUCIÓN de 22 de noviembre de 2000, de la Dirección General de Ganadería, por la que se publica la primera relación de asignaciones y denegaciones de las cantidades de referencia de la reserva nacional procedentes del aumento de la cuota láctea para el período 2000-2001.*

El Real Decreto 1192/2000, de 23 de junio, por el que se establecen normas para la asignación individual de cantidades de referencia de la reserva nacional procedentes del aumento de la cuota láctea, indica, en el apartado 2 del artículo 1, que ésta se realizará durante los periodos 2000-2001 y 2001-2002.

De acuerdo con los artículos 5 y 6 de la citada norma, las Comunidades Autónomas formularán las propuestas de asignación de las cantidades individuales de referencia entre los solicitantes y el Director General de Ganadería dictará antes del 1 de febrero de 2001 las resoluciones correspondientes, debiendo estar motivadas las que sean denegatorias.

Debido al carácter de concurrencia competitiva del procedimiento, se considera aplicable a efectos de su publicación, el artículo 59 de la Ley 30/1.992, de 26 de noviembre, de Régimen Jurídico de las Administraciones Públicas y del Procedimiento Administrativo Común.

Además, las resoluciones se expondrán en los tablones de anuncios de la sede central del Ministerio de Agricultura, Pesca y Alimentación, así como en las Delegaciones y Subdelegaciones del Gobierno en las Comunidades Autónomas.

Han sido formuladas propuestas de asignación para los ganaderos cuyas explotaciones radican en:

a) La Comunidad Autónoma de Galicia, de acuerdo con los artículos 6 y 7 de la Orden del 6 de Julio de 2000, de la Consejería de Agricultura, Ganadería y Política Agroalimentaria.

b) La Comunidad Autónoma de Murcia, de acuerdo con los artículos 4, 5, 6 y 7 de la Orden del 4 de Agosto de 2000, de la Consejería de Agricultura, Agua y Medio Ambiente.

c) La Comunidad Autónoma de La Rioja, de acuerdo con el artículo 4 de la Orden 36/2000 del 5 de septiembre, de la Consejería de Agricultura, Ganadería y Desarrollo Rural.

Por lo tanto y vistas las propuestas anteriormente descritas he resuelto asignar la cantidad de referencia suplementaria procedente de la reserva nacional de cuotas lácteas, a los productores solicitantes que se relacionan en el anexo A adjunto.

De acuerdo con el artículo 3 del Real Decreto 1192/2000, de esta asignación tendrá efecto en los periodos 2000-2001 y 2001-2002, el 65 por cien y el 100 por cien respectivamente, con todos los derechos y obligaciones a que hubiere lugar en aplicación de la normativa vigente.

Asimismo, resuelvo denegar la solicitud a los interesados que se incluyen en el anexo B por los motivos que se exponen en el mismo, que aparecen expresamente señalados en el anexo C.

Contra estas resoluciones se podrá interponer recurso de alzada ante el Ministro de Agricultura, Pesca y Alimentación, en el plazo de un mes contado desde el día siguiente al de su publicación en el «Boletín Oficial del Estado», de conformidad con los artículos 114 y 115 de la Ley 30/1992, de 26 de noviembre, de Régimen Jurídico de las Administraciones Públicas y del Procedimiento Administrativo Común.

Madrid, 22 de noviembre de 2000.—El Director general, Quintiliano Pérez Bonilla.
