I. GOODS FOR WHICH A MOVEMENT CERTIFICATE A. TR. 1 MAY BE ENDORSED

1. A movement certificate A. TR. 1 may be endorsed only for goods which, in the exporting State, fall within one of the following categories:
 - (a) goods produced in the exporting State, including those obtained or produced wholly or partly from products on which the applicable customs duties or charges having equivalent effect have been levied and which have not benefited from a total or partial drawback of such duties or charges;
 - (b) goods in free circulation in the exporting State, (goods coming from a third country, in respect of which import formalities have been complied with and any customs duties or charges having equivalent effect have been levied, and which have not benefited from a total or partial drawback of such duties or charges);
 - (c) goods obtained or produced within the exporting State, and in the manufacture of which have been used products on which the applicable customs duties or charges having equivalent effect have not been levied or which have benefited from a total or partial drawback of such duties or charges, subject to the collection, where appropriate, of the compensatory levy prescribed for them;

Note: The statement "Compensatory Levy—Turkey" must appear on all movement certificates A. TR. 1 for goods obtained or produced in the Community from products coming from a third country on which the applicable customs duties and charges having equivalent effect have not been levied in either the Community or Turkey.

- (d) goods originally imported from a State party to the Agreement and which on exportation fall within one of the categories (a), (b) or (c) above.

Note: In the case of goods originally imported into the exporting State under the cover of a movement certificate bearing the statement "Compensatory Levy—Turkey", the movement certificate or certificates A. TR. 1 issued in lieu of the latter must also bear the statement "Compensatory Levy—Turkey".

2. Agricultural products must also comply with the additional origin conditions laid down for them.
3. Movement certificates A. TR. 1 may not be endorsed for goods originally imported from a third country under a preferential customs system because of their country of origin or place of consignment.

II. SCOPE OF THE MOVEMENT CERTIFICATE A. TR. 1

The movement certificate A. TR. 1 may be used only if the goods to which it relates are transported direct from the exporting State to the importing State.

The following shall be considered as transported direct from the exporting State to the importing State:

- (a) goods transported without passing through territories other than those of the Community or Turkey;
- (b) goods transported through territories other than those of the Community or Turkey or with transhipment in such territories

provided that carriage through such territories or transhipment is covered by a single transport document made out in the Community or Turkey.

Note: Before requesting endorsement of movement certificate A. TR. 1 by the customs authorities of the exporting State, the exporter must satisfy himself that the goods will in fact be transported direct to the importing State. Goods not transported direct are eligible for preferential treatment only if a movement certificate A. TR. 3 is produced.

III. RULES FOR COMPLETING THE MOVEMENT CERTIFICATE A. TR. 1

1. The movement certificate A. TR. 1 must be completed in one of the languages in which the Agreement is drawn up and shall comply with the internal laws of the exporting State. Where the certificate is completed in Turkish, it may also be completed in one of the official languages of the Community.
2. The movement certificate A. TR. 1 must be typed or handwritten; if the latter it must be completed in ink in block letters. It must not contain any erasure or superimposed correction. Any alteration must be made by deleting the incorrect particulars and adding any necessary corrections. Any such alteration must be initialled by the person who completed the certificate and endorsed by the customs authorities.

3. Each item listed in the movement certificate A. TR. 1 must be preceded by a serial number. A horizontal line must be drawn immediately after the last entry. Unused space must be struck through so as to make any later addition impossible.
4. Goods must be described in accordance with commercial usage and in sufficient detail to enable them to be identified.
5. The exporter or the carrier may complete the part of the certificate reserved for the declaration by the exporter by a reference to the transport document. It is also recommended that the exporter or the carrier show on the transport document covering the despatch of the goods the serial number of the movement certificate A. TR. 1.

IV. EFFECT OF THE MOVEMENT CERTIFICATE A. TR. 1

When properly used, the movement certificate A. TR. 1 enables the goods described therein to benefit in the importing State from the progressive elimination of customs duties, quantitative restrictions and all other measures having equivalent effect. However, when the movement certificate bears the statement "Compensatory Levy—Turkey", goods described therein shall not be eligible for this preferential

treatment in the Member States of the E.E.C.

The customs authorities of the importing State may, if they consider it to be necessary, require any other documentary evidence and in particular transport documents under cover of which the goods were dispatched.

V. TIME LIMIT FOR SUBMISSION OF THE MOVEMENT CERTIFICATE A. TR. 1

The movement certificate A. TR. 1 must be produced at the customs office of the importing Member State where the goods are presented,

within a period of three months from the date of endorsement.

I. GOODS FOR WHICH A MOVEMENT CERTIFICATE A. TR. 3 MAY BE ISSUED

1. A movement certificate A. TR. 3 may be issued only for goods which in the exporting State, fall within one of the following categories:
 - (a) goods produced in the exporting State, including those obtained or produced wholly or partly from products on which the applicable customs duties or charges having equivalent effect have been levied and which have not benefited from a total or partial drawback of such duties or charges;
 - (b) goods in free circulation in the exporting State, (goods coming from a third country, in respect of which import formalities have been complied with and any customs duties or charges having equivalent effect have been levied, and which have not benefited from a total or partial drawback of such duties or charges);
 - (c) goods obtained or produced within the exporting State, and in the manufacture of which have been used products on which the applicable customs duties or charges having equivalent effect have not been levied or which have benefited from a total or partial drawback of such duties or charges, subject to the collection, where appropriate, of the compensatory levy prescribed for them;

Note: The statement "Compensatory Levy—Turkey" must appear on all movement certificates A. TR. 3 for goods obtained or produced in the Community from products coming

from a third country and on which the applicable customs duties and charges having equivalent effect have not been levied in either the Community or Turkey.

- (d) goods originally imported from a State party to the Agreement and which on exportation fall within one of the categories (a), (b) or (c) above.

Note: In the case of goods originally imported into the exporting State under the cover of a movement certificate bearing the statement "Compensatory Levy—Turkey", the movement certificate or certificates A. TR. 3 issued in lieu of the latter must also bear the statement "Compensatory Levy—Turkey".

2. Agricultural products must also comply with the additional origin conditions laid down for them.
3. Movement certificates A. TR. 3 may not be issued for goods:
 - (a) which, in accordance with the provisions applicable to them, must be transported direct from the exporting State to the importing State;
 - (b) which were originally imported from a third country under a preferential customs system because of their country of origin or place of consignment.

II. SCOPE OF THE MOVEMENT CERTIFICATE A. TR. 3

A movement certificate A. TR. 3 may be used in all cases where a movement certificate A. TR. 1 cannot be used owing to the fact that the goods are not transported direct from the exporting State to the importing State:

The following shall be considered as transported direct from the exporting State to the importing State:

- (a) goods transported without passing through territories other than those of the Community or Turkey;

(b) goods transported through territories other than those of the Community or Turkey or with transhipment in such territories provided that carriage through such territories or transhipment is covered by a single transport document made out in the Community or Turkey.

In particular, the movement certificate A. TR. 3 may be used for goods exported from a State party to the Agreement to a country not party to the Agreement, from which they are liable to be re-exported subsequently to a State party to the Agreement.

III. RULES FOR COMPLETING THE MOVEMENT CERTIFICATE A. TR. 3

1. The movement certificate A. TR. 3 must be completed in one of the languages in which the Agreement is drawn up and shall comply with the internal laws of the exporting State. Where the certificate is completed in Turkish, it may also be completed in one of the official languages of the Community.
2. The movement certificate A. TR. 3 must be typed or handwritten; if the latter it must be completed in ink in block letters. It must not contain any erasure or superimposed correction. Any alteration must be made by deleting the incorrect particulars and adding any necessary corrections. Any such alteration must be initialled by the person who completed the certificate and endorsed by the customs authorities.
3. The "declaration by the exporter" on the second page of the movement certificate A. TR. 3 must be completed in full. In

particular, the place of loading, the date of dispatch and the country of destination at the time of export must be stated.

4. Each item listed in the movement certificate A. TR. 3 must be preceded by a serial number. A horizontal line must be drawn immediately after the last entry. Unused space must be struck through so as to make any later addition impossible.
5. Goods must be described in accordance with commercial usage and great detail so as to ensure that they can be identified easily. The description of the goods must include the number of the tariff heading applicable to each item.
The exporter must include with the movement certificate A. TR. 3 all documents such as plans, drawings, photographs or commercial prospectuses, etc., which may help identification. If they consider it necessary, the customs authorities of the exporting country shall annex these documents to the movement certificate A. TR. 3.

IV. EFFECT OF THE MOVEMENT CERTIFICATE A. TR. 3

A movement certificate A. TR. 3 enables the goods described therein to benefit from the progressive elimination of customs duties, quantitative restrictions and all other measures having equivalent effect, where there is no doubt that the goods actually imported are those described in that movement certificate A. TR. 3. However when the movement certificate A. TR. 3 bears the statement "Compensatory Levy—Turkey", goods described therein shall not

be eligible for this preferential treatment in the Member States of the E.E.C. The customs authorities of the importing State may require submission of any supporting evidence if they consider there is doubt as to the identity of the goods and may exclude the goods from the progressive elimination of customs duties, quantitative restrictions and all measures having equivalent effect if satisfactory evidence cannot be produced.

V. TIME LIMIT FOR SUBMISSION OF THE MOVEMENT CERTIFICATE A. TR. 3

The movement certificate A. TR. 3 must be submitted to the customs authorities of the importing State within a period of six months

from the date of issue. It shall be valid only for the quantities of goods presented in that State during those six months.

(1) Det ikke gældende udstreges.

I. VARER, FOR HVILKE VARECERTIFIKAT A. TR. 1 KAN UDSTEDES

1. Varecertifikat A. TR. 1 kan kun udstedes for varer, der i udforselsstaten er omfattet af en af følgende kategorier:
- a) Varer, der er fremstillet i udforselsstaten, herunder sådanne varer, der er fremstillet fuldt ud eller delvis af varer, for hvilke den told og de afgifter med tilsvarende virkning, der finder anvendelse på disse, er opkrævet, og som ikke har nydt godt af hel eller delvis godtgørelse af sådan told og sådanne afgifter.
 - b) Varer, der er i fri omsætning i udforselsstaten (d. v. s. varer, som hidrører fra tredjeland, for hvilke indførselsformaliteterne er opfyldt, og for hvilke told og afgifter med tilsvarende virkning er blevet opkrævet, og som ikke har nydt godt af hel eller delvis godtgørelse af sådan told og sådanne afgifter).
 - c) Varer, fremstillet i udforselsstaten, og til hvis fremstilling er medtaget varer, for hvilke den told og de afgifter med tilsvarende virkning, som finder anvendelse på disse, ikke er opkrævet, eller som har nydt godt af en hel eller delvis godtgørelse af nævnte told eller afgifter, på betingelse af, at den for varerne fastsatte udligningsafgift er opkrævet.

Anm.: Ethvert varecertifikat A. TR. 1 vedrørende varer, fremstillet i Fællesskabet ved anvendelse af varer, som hidrører fra tredjeland, og som hverken i Fællesskabet eller i Tyrkiet er belagt med den told og de afgifter med tilsvarende virkning, som finder anvendelse på disse, skal være påtaget: »Udligningsafgift-Tyrkiet».

- d) Varer, der oprindelig er indført fra en stat, der deltager i aftalen, og som ved udførsel kan henføres til en af de under a), b) eller c) nævnte kategorier.

Anm.: For så vidt angår varer, der oprindelig er indført i udforselsstaten, og for hvilke der er udfærdiget et varecertifikat med påtagningen »Udligningsafgift-Tyrkiet», skal det varecertifikat eller de varecertifikater A. TR. 1, som udstedes i stedet for dette, være påført den samme påtagning.

2. Landbruksprodukter skal endvidere opfylde de supplerende betingelser, der er fastsat for sådanne produkter.
3. Varecertifikat A. TR. 1 kan ikke udstedes for varer, der oprindelig er indført fra tredjeland under en præferenceordning som følge af deres oprindelsesland eller afsendelsessted.

II. ANVENDELSSESOMRÅDE FOR VARECERTIFIKAT A. TR. 1

Varecertifikat A. TR. 1 kan kun anvendes, saftrent varerne, for hvilke certifikatet er udsteds, forsendes direkte fra udforselsstaten til indførselsstaten.

- Som direkte forsendelse fra udforselsstaten til indførselsstaten anses:
- a) varer, hvis transport foregår uden passage af andre områder end Fællesskabets eller Tyrkiets.
 - b) varer, hvis transport foregår med passage af andre områder end Fællesskabets eller Tyrkiets eller som omlades i sådanne om-

rader, saftrent transporten gennem disse områder foregår på et gennemgående transportdokument udfærdiget i Fællesskabet eller Tyrkiet.

Anm.: Eksportøren skal — for der fremsættes anmodning over for udforselsstatens toldmyndigheder — sikre sig, at varerne faktisk skal forsendes direkte til indførselsstaten. I tilfælde af, at transporten ikke gennemføres på disse betingelser, kan varerne kun nyde godt af en præferentiell behandling i sidstnævnte stat mod forevisning af et varecertifikat A. TR. 1.

III. REGLER, SOM SKAL IAGTTAGES VED UDSTEDELSEN AF VARECERTIFIKAT A. TR. 1

1. Varecertifikat A. TR. 1 skal udfærdiges på et af de sprog, på hvilke associeringsaftalen er affattet og i overensstemmelse med udforselsstatens interne retsregler. Udfærdiges certifikater på tyrkisk skal det ligeledes udfærdiges på et af Fællesskabets officielle sprog.
2. Varecertifikat A. TR. 1 udfærdiges med maskin- eller håndskrift; i sidstnævnte tilfælde skal det udfyldes med blæk og med blokbogstaver. Der må hverken forekomme raderinger eller overskrivninger. Ændringer skal foretages ved overstregning af de fejlslagte oplysninger, og i givet fald ved tilføjelse af de ønskede oplysninger. Enhver sådædes forøget ændring skal bekræftes af den, der har udsteds certifikater, og påtages af toldmyndighederne.

3. Foran hver i varecertifikat A. TR. 1 angivet varer skal anføres et løbenummer. Umiddelbart under den sidste post trækkes en vandret afslutningsstreg. Ikke udfyldte felter skal ved overstregning gøres uanvendelige for tilføjelser.

4. Varerne anføres med deres sædvanlige handelsbetegnelse og så udforligt, at de kan identificeres.
5. Eksportøren eller fragtføreren kan på den del af certifikatet, der er bestemt til eksportørens erklæring, tilføje en henvisning til transportdokumenter. Det anbefales også eksportøren eller fragtføreren at forsyne de transportdokumenter, der er udfærdiget for varerne, med påtagning om varecertifikat A. TR. 1's løbenummer.

IV. BETYDNINGEN AF VARECERTIFIKAT A. TR. 1

Når varecertifikat A. TR. 1 anvendes forskriftsmæssigt, kan de i certifikatet beskrevne varer i indførselsstaten nyde godt af gradvis aftviling af toldsatserne og fjernelse af de kvantitative restriktioner og andre forholdsregler med tilsvarende virkning. Såfremt varecertifikatet er påført »Udligningsafgift-Tyrkiet« kan de i certifikatet beskrevne

varer dog ikke nyde godt af en præferentiell behandling i EF's medlemsstater.

Toldmyndighederne i indførselsstaten kan, når de anser det for nødvendigt, kræve fremlagt yderligere dokumentation, især de transportdokumenter, der er udfærdiget for varernes forsendelse.

V. FRISTEN FOR FORELÆGGELSE AF VARECERTIFIKAT A. TR. 1

Varecertifikat A. TR. 1 skal inden for en frist af tre måneder regnet fra datoen for dets udstedelse forelægges for det toldkammer i ind-

førselsstaten, hvor varerne frembydes.

(Tjenestemandens underskrift)

- (1) Heri anfører udførelstoldstedet resultater af undersøgelsen med alle enkelheder, der kan lette identifikationen af varerne, herunder særlige identifikationsforanstaltninger, der er truffet, såsom forsegling (plombering), stempeling o. s. v.
Hvis de under bagsidens note III, stk. 5, 3. punktum, omtalte identifikationshjælpemidler (fotografier, tegninger, stofprøver m. m.) er fastgjort på bagsiden af dette certifikat, skal toldstedet stemple disse på en sådan måde, at en del af stempelaftrykket findes på selve A. TR. 3 dokumentet.

Ikke udfyldte felter i denne rubrik skal ved oversættelse gøres uanvendelige for tilføjelser.
